PLEASE JOIN NOW! OR RENEW YOUR 2017 ANNUAL MEMBERSHIP

The Crystal Lakes Community Fund Association (CLCFA) was founded in 1998 to identify and fund programs that improve, enhance the beauty, and preserve the common good of Crystal Lakes. CLCFA is made up of volunteers who appreciate YOUR suggestions to develop the programs and projects that will ensure the continued viability of Crystal Lakes and will preserve the area for our children, grandchildren, and future property owners.

The CLCFA has been granted 501(c)(3) tax exempt status. Simply put this mean that your annual membership dues and donations are tax deductible! Unlike most tax-supported organizations, 100% of your money goes directly into the good of Crystal Lakes, our mountain community that we have all grown to love. Most projects are completed by volunteer work with purchased materials. Some approved projects require professionals to complete the work. Your dues and donations are used to hire professionals when needed, to purchase items and materials for new projects.

We gratefully accept annual memberships and donations! Memorial donations are also valued. With these membership dues and donations contributions; CLCFA can make many good things happen.
